

**Stewkley
Village Hall**

**Charity Number
231141**

**CAN
YOU HELP US
RAISE THE ROOF???**

The original part of the Village Hall built in 1925 needs a new roof. At the same time we plan to install better insulation and solar panels.

The committee will be fundraising and seeking grants but also are looking for villagers who might have:

- knowledge and experience of applying for grants
- connections with the roofing business and/or solar panels
- time and ideas to help with fundraising
- anything else you could offer
